

To the Parish Hill Middle/High School Families,

Welcome back! The Parish Hill Middle/High School PTO would like to extend an invitation to all families to attend our meetings, or email us with any concerns, suggestions, or ideas on how we can continue to support Parish Hill staff and students. The PTO meets the first Tuesday of every month in the conference room.

Last year the PTO was able to provide:

- Fall and Spring teacher appreciation luncheons
- “PHHS Celebration” – a lasagna dinner with Old Tyme Fiddler entertainment and tours of the new science lab and expanded media center for all residents of Chaplin, Hampton and Scotland
- Senior citizen appreciation dinner and complimentary play tickets

This year, in addition to the above activities, we hope to implement a new “mini grant” program to staff to help supplement learning projects with funds for resource materials, guest speakers, field trips, etc. that will directly benefit students. The mini grant program information and applications will be available once we secure funding.

Of course, all events need funding, and we hope to keep future fundraisers simple. Fundraisers planned are: a pancake breakfast at Applebee’s, dinner at Friendly’s, mum sale, spring flower sale.

We are in need of new members to carry on the PTO! If you cannot attend monthly meetings you can still be a member by helping sell tickets, making a salad for the luncheons, or distributing information to the community. You can email Anne Sicilian, Co-President, at ascilian@charter.net , or call any PTO member. We want to hear from you!

Kate Donnelly, Co-President, 455-0583
Anne Sicilian, Co President, 455-0174
Ellen Rodriguez, Treasurer, 455-0369
Julie LaCasse, Secretary, 455-9177
