

**Student Report to Board of Education
February 25, 2008**

Sports

- **Our high school boys' basketball team tied for second place in their division. This was an amazing accomplishment since last year they only won one game and that was the first in six years.**
- **Girls' high school basketball team also came in second in their division. They made it to the semi final round of the conference tournament and start playing this evening in the state tournament.**
- **Spring sports will be starting in two weeks.**

The Empty Bowl Event

- **Many of our students from ASG, the National Honor Societies and our student body volunteered in many ways contributing to the huge success of our annual "Empty Bowl" fund raiser. We had students who made posters from the art department, many who stayed after school and pitched in with the set up and even more students who helped to ladle soup and clean up.**

Ski Trip to Wachusett Mountain.

- **The ski club along with Mr. Stankowski went on a ski trip to Wachusett Mountain on Saturday, February 1st. The Day was clear and the wind was only cold on the top of the mountain. The students had a wonderful time and look forward to the next the trip.**

Music

- **The cast of "Into the Woods" has been very busy rehearsing as well as working hard on costumes, sets, lighting and the many details that go into a successful production.**
- **The band and chorus will be traveling to the elementary schools to entertain the students and staff. This gives the elementary students a peek at what they can be doing when they arrive at**

Parish Hill. It also serves as a nostalgic moment for the high school students to visit their elementary schools.

- **Select students from the middle school band and chorus will be attending the Eastern Region Middle School Music Festival this coming weekend. This is a very prestigious event that requires an audition. The students have worked very hard to achieve this honor of representing the Parish Hill music department.**
