December 3, 2020

Hello Pirate Families,

On December 3, Parish Hill was notified of a positive Covid-19 case in the school community prompting a small number of students and staff to be placed on quarantine as prescribed by our local health department, the Eastern Highlands Health District (EHHD). The last day the affected person was in school was on November 25. At this time, we have not received any reports of staff or students who have tested positive that were in the building during any time of infectivity. Anyone considered to be a close contact with this person has already been contacted by the school or by the EHHD and has been given instructions to mitigate the spread of the virus.

Out of an abundance of caution and to ensure transparency, we are notifying all members of our school community about this situation. We are confident that the steps we are taking based on guidance from the EHHD, the CT Department of Health, and the CDC will ensure that Parish Hill remains a safe place for staff and students to continue with full in-person learning.

We will continue to closely monitor the situation and will continue to work with Eastern Highlands Health District as well as provide you with updates as they become available. If you have any questions, please do not hesitate to contact any of us at 860-455-9584.

Sincerely,

Kenneth V. Henrici
Superintendent

Brian Tedeschi
Principal

Elizabeth Swagger
School Nurse
