Reflections Program:

"Within Reach"
Theme for 2017-2018

The National PTA Reflections program is PTA's cornerstone arts program. It was developed in 1969 by Colorado's PTA President Mary Lou Anderson to encourage students to explore their talents and express themselves. Since then, the Reflections Program has inspired millions of students to reflect on a specific theme and create original artwork. Each year, students in Grades Pre-K through 12 are recognized for bringing the theme to life through dance choreography, film production, literature, music composition, photography and visual arts.

Students submit their artwork to Local PTAs for initial judging. In Connecticut, local PTAs submit their 1st place winning entries to the State Office. Top entries from our State PTA Reflections contest advance to National PTA for the final round of judging. National PTA awards are announced each May.

As a Local Leader of this program, you will play a critical role in promoting exploration of arts and culture in the , school and community. Students who participate in the Reflections Program may not recognize themselves as artists when they sign up—but by the end of the Reflections celebrations, they will.
