

Hello!

To continue to provide the safest education possible we will no longer be using shared materials. The 8th grade team has developed a list of materials students should have in their backpacks to ensure they are prepared for any of the exciting lessons that await them.

8th Grade Supplies List

1. Backpack
2. Class books/homework/assignments
3. Chromebook, fully charged every day, and charger
4. 10 pack colored pencils
5. Pencils (many)
6. Blue or black pens
7. Hand pencil sharpener (at least 2)
8. Ruler
9. Highlighters
10. Calculator*
11. Scissors
12. Extra mask
13. Pencil cap erasers
14. Index cards
15. Headphones/earbuds
16. Glue sticks
17. Independent reading book

*Scientific calculators would be great, but a TI-84 or TI-84 CE calculator would be beneficial as it is necessary throughout high school mathematics courses.

Thank you!

Sincerely,
8th Grade Team
