

PARISH HILL SUMMER SCHOOL CREDIT RECOVERY PROGRAM
SUMMER 2021
JULY 6 – JULY 30, 2021

Credit recovery allows students to earn credit for required courses that they have already taken but have not earned a passing grade during the 2020-2021 school year or previous school years. The Parish Hill Credit Recovery Summer School will consist of an on-line learning platform, but will be held in-person at Parish Hill. Transportation is provided this year and there is no cost to students. Our Summer School Coordinator will oversee all aspects of this credit recovery program and will provide continual assistance and support to enrollees. We are deeply committed to giving students opportunities to “stay on track” for graduation through this program.
