*When it is necessary to delay the start of a school day, the delay will be 2 hours in duration. Should a delay occur on a day scheduled for early release, the students will be dismissed at their regular full day time. Six (6) "snow" days will be added to the last day of school listed on this calendar. Should there be additional snow days, they will be taken from the April vacation starting with Monday, April 15 and, if needed, moving forward to Friday, April 19. If there are more than ten (10) snow days, the Board of Education will decide how to add these days to the calendar to ensure a legal 180 day minimum student school year.*
